

Old Nottinghamians' Society - LONDON DINNER

THURSDAY 24th NOVEMBER 2011, 6.15 for 7 PM

THE ROYAL AIR FORCE CLUB

128 PICCADILLY

We return again to the RAF Club for this major event in the ON Society's annual calendar. I am delighted to invite you to join us in the bar from 6.15pm; the dinner will be served in the Ballroom at 7pm.

This year, we welcome as our guest speaker **Mr Richard Williams** (ON 1958-64), Chief Sportswriter of *The Guardian*. At the time of writing, Richard is at the Rugby Union World Cup and will hopefully be able to share some of his experiences with us. **Mr Damian Dixon** (ON 1972-1979) will be our toastmaster.

As is traditional, we also look forward to welcoming the Headmaster and School Captain, as well as the new President of the Old Nottinghamians' Society.

Tickets: The ticket price of **£50** per person and includes a 3-course dinner, coffee and petits fours plus table wines and port. A concessionary rate of **£20** is offered to ONs who are full-time UG students.

Partners and guests (ladies or gentlemen) are welcome to join us for what is always a thoroughly enjoyable and lively gathering. **Dress Code:** Black Tie

Booking & paying:

There are two ways to apply and pay. Either,

1. Complete and post the form below, together with your cheque (payable to *London Old Nottinghamians' Society*), to **Katrine Scott-Mitchell** at School **OR**
2. e-mail me at **pk.james@virgin.net** to confirm your place and obtain electronic payment details (I will be abroad for much of November and so unable to receive postal applications)

I do apologise to ONs for the late notification of the details of this year's Dinner, but hope very much that you will be able to join us – and will encourage your fellow ONs to do so too. This year, we shall be returning to the traditional seating arrangements. If you would like to be seated near particular people, please indicate this on the form below.

Finally;

Richard Williams has particularly expressed interest in seeing his contemporaries - so I hope 1958 – 1964 will be well represented!

Paul James
